## A Brief History<sup>1</sup> of the Winchester Town Hall

The previous Town Hall renovated by the Universalist Society in the mid-1800s burned to the ground in the early morning hours of September 12, 1909. The Fire Department arrived and had a malfunction with the steamer. It took an hour and a half to build up enough steam to pump water into the building. The building was engulfed in flames and very little was salvaged.

It wasn't until the 1911 Town meeting that \$20,000.00 was appropriated to construct a new building. The townspeople reviewed plans submitted by four architects before choosing the design submitted by S.W. St. Clair of Boston. The Architect happened to be a former resident of Winchester. The original appropriation was not enough to complete the project, so a special town meeting was held to appropriate an additional \$5,000.00.

The Town Hall was completed in October of 1912. The wide mullion windows were set in metal and ensconced in stone trim. The front entrance was positioned to face the Town Common. The winding staircase led to a crescent shaped balcony, where sloped seating accommodated 250 people with a fantastic view of the stage and main floor. Opposite the stairwell were two eighteen foot square rooms for the Town Clerk and Selectmen offices. A Ticket office also faced the stairway. The wide corridor opened into the auditorium that was finished in brown ash wood with exposed roof trusses of stained hard pine. The floor was constructed of red birch. The stage at the rear was the width of the building and was 19 feet deep. There were stairways leading from each side of the stage to dressing rooms, rest rooms and a furnace room in the basement. Beneath the auditorium was a banquet hall with a kitchen and pantry. The Selectmen held an Open House on October 23<sup>rd</sup> and 24<sup>th</sup> of 1912 from 10:00 AM to 9:00 PM. The Boston Festival Orchestra was hired for this event. Music played while the townspeople toured their new Town Hall. On the Thursday evening that followed a formal ceremony was held. Mr. A.F. Pierce, Chairman of the Building Committee presented the Selectmen with the keys to the new building. About 400 people were in attendance as a dedicatory prayer was given by Reverend J.F. Thompson.

As the years passed changes were made to the building to accommodate modern needs. In the 1930s a drop ceiling was installed in the offices. In 1956 the balcony was restructured and a corridor was added in the auditorium to allow room for basketball games. The basement that originally housed a banquet hall, kitchen and dressing rooms, is now used for Town Offices.

## Dedication to Theodore G. Whipple

The Town of Winchester thanks and honors Theodore G. Whipple  
by dedicating this annual Town Report to him.

Ted was born and raised in Winchester. Even as a young man, he was an outstanding citizen. An Eagle Scout, he graduated from Thayer High School and enlisted in the Navy where he served as a Medical Corpsman during World War II. His tour of duty, mostly in Seattle, Washington, was auspicious because his ship was sunk while he was ashore in sickbay.

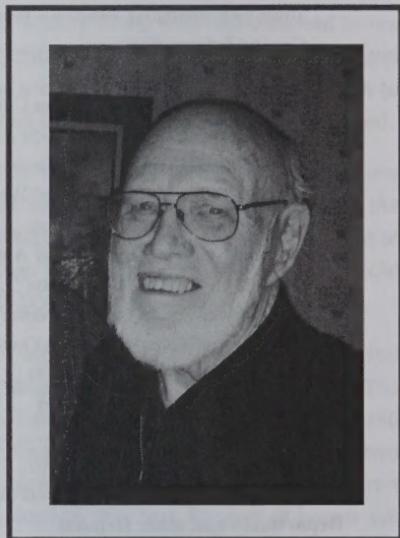

Following the war, Ted was graduated Phi Beta Kappa from the University of New Hampshire With a Bachelor of Arts degree, and from North Carolina State University where he received a Masters of Forestry.

Ted and his wife Betty raised a family of five children, who all consider Winchester an important part of their heritage. His career in the forestry industry took him from New Hampshire to South Carolina, Connecticut and New York while he worked for Champion International Paper and its predecessor companies. In addition he traveled the country as a consultant for Champion following his retirement. Along the way Ted became a master brewer certified by the BJCP (Beer Judge Certification Program) and served as a master judge for the Underground Brewers in Newtown, Connecticut. Following his retirement and relocation to Winchester, he and Betty toured the United States for nine years in their motor home.

Although Ted was a longtime resident of Newtown, Connecticut, he and Betty chose to retire here in Winchester, Ted's birthplace and the location where he met Betty, a young music teacher from Ithaca, New York.

Winchester has been well served by this outstanding native son: Selectman, Chair of the Historic District Commission, longtime member of the Board of Directors of the Winchester Learning Center, a Trustee of the Trust Funds, Conant Library Trustee, Kiwanis past president and director of the scholarship fund, and advisor to the Conservation Commission. A leader and inspiration by example, Ted not only served in leadership positions for the town, he also invested in his convictions. In 2012 Ted donated 10.7 acres of land to the town with an easement guaranteeing the land never be cut. This portion of land is attached to the town forest and, over time, will become a local educational example of old growth forest, an important legacy benefiting future generations. In addition Ted, as a lead donor to the Winchester Learning Center, is helping to build their new building. Also he donated land to the Learning Center, thereby increasing the value of the Center's assets and improving the aesthetics of the Lawrence Street area of Winchester.

Ted's generosity and legacy will benefit Winchester forever.

**TOWN MEETING WARRANT  
SB2  
TOWN OF WINCHESTER  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 2<sup>nd</sup> of February next 2013 at nine o'clock in the forenoon to discuss, debate and amend warrant articles #1 through #31 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees, and act thereon. Final vote will be by the official ballot on Tuesday, March 12, 2013.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday the 12<sup>th</sup> of March next 2013 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

**Warrant Article 1:** To choose all necessary Town Officers for the ensuing year.

**Warrant Article 2:** Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee. To see if the Town will vote to raise and appropriate the sum of up to \$1,478,100.00 (one million four hundred seventy eight thousand one hundred dollars) for the purpose of preparing plans and specifications for sewer collection system inspections, and for the construction of the third phase of upgrades to the Winchester Wastewater Treatment Plant, that will qualify the Town for federal and state funds with 50 percent principal forgiveness, such sum to be raised by serial bonds and notes, under and in compliance with the provisions of the Municipal Finance Act (NHRSA33:1 et seq as amended) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes, to determine the interest rate thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Winchester; and further to authorize the Board of Selectmen to apply for, accept, and expend grants, donations, and gifts, and to participate in the State Revolving Fund, established pursuant to RSA 486:14. **Warrant Article 22:** To see if the Town will vote to adopt a *Town of Winchester Town Ordinance Animals Running at Large* as follows:

**TOWN OF WINCHESTER TOWN ORDINANCE  
ANIMALS RUNNING AT LARGE**

**DEFINITIONS:**

**Animal:** All domestic and wild animals. The term animal, where it occurs in this ordinance, shall include, but not be limited to: cattle, bovines, swine, sheep, goats, as well as domesticated strains of buffalo or bison, llamas, alpacas, emus, ostriches, yaks, elk, fallow deer, red deer and reindeer, and equines.

**Running at Large:** Running at large means off the premises of the owner or keeper and not under the control of any person by means of personal presence and attention as will reasonably control the conduct of such animal.

1. Permitting animal(s) to run at large:
  - (a) It shall be unlawful for any animal to run at large in the Town of Winchester, whether upon the premises of another or upon the public lands, highways, roads or streets (whether maintained by the State of New Hampshire or the Town of Winchester).
  - (b) Nothing in this section or elsewhere in this ordinance shall be construed to make it unlawful to run animals at large on the premises of another when the owner or person in charge of the premises has consented in writing to allow the animal(s) onto his/her property. The animals must be contained to the consenting person's property only.

2. *Penalty:*

- (a) *Any person who violates the provisions of this ordinance shall be guilty of a violation.*
- (b) *Any authorized person may seize, impound or restrain any animal in violation of this section and deliver said animal to a person or shelter authorized for said purpose. The owner shall be responsible for all costs incurred by the animal shelter caring for the animal.*
- (c) *The owner shall be responsible for all damages done by animals running at large and shall pay restitution to all injured parties.*

CIVIL PENALTY:

*A monetary forfeiture of \$50.00 may be imposed for such infractions of this ordinance. It shall be at the discretion of the investigating officer or Police Chief whether a fine is levied against the offender. Failure to pay said forfeiture within 72 hours (three business days) to the Winchester Town Clerk will be prosecuted by the Winchester Police Department in the appropriate circuit court.*

- Recommended by the Board of Selectmen 5-0

**Warrant Article 23:** To see if the Town will vote to establish a committee of 7 citizens, consisting of a representative of the Conant Public Library and a representative of the Thayer Public Library, to be appointed by the Board of Selectmen, to study the effects of consolidation of the Town's two libraries.

- Recommended by the Board of Selectmen 4-1

## ADMINISTRATION ANNUAL REPORT FOR 2012

In March 2012, Kenneth Gardner and Sherman Tedford were re-elected to 3-year terms, keeping intact the same 5-member Board of Selectmen for another year. Under the chairmanship of Roberta Fraser, the board kept expenses down as much as possible with a freeze on spending from November 2011 through the rest of the fiscal year, at which time the board was able to return \$45,693 to the taxpayers. A second freeze on spending began this November 2012 and is ongoing as this report is written. The 2012 tax rate fell \$2.11 to \$27.92, with the Town portion dropping from \$7.18 to \$6.98.

Two major projects, the Waste Water Treatment Facility update and the TE sidewalk project, remain ongoing. Phase I of the WWTF project is essentially complete; Phase II will begin in late summer or early fall 2013; Phase III is on the 2013 warrant for voters to address. The TE sidewalk project is also expected to be constructed in late summer or early fall 2013.

In 2012 the NH Department of Labor inspected all Town properties for the first time ever, with emphasis on safe work environments, and determined that the Town meets all of their requirements. Municipal Resources, Inc. was hired to do a comprehensive review of how police services are provided in the community, and the Chief and Selectmen are now in the process of working toward recommended improvements in the facility, equipment, structure, and overall management. FEMA approved the Town's Hazard Mitigation Plan, NH Division of Historical Resources awarded Thayer Public Library a \$2,300 Moose Plate Grant to restore tin ceilings, and the NH Highway Safety Agency awarded the Police Department a grant for \$5,000 for DWI/DUI patrols.

Avitar Associates continues to review 25% of the properties in town on a yearly basis; thank you for your patience and courtesy when the assessor appears at your door as part of the 25% review or following up on building permits, subdivisions, mergers, boundary adjustment or anything else that may have occurred relating to your property. The assessing office continues to keep track of current use, land use change taxes, excavation intents and reports/taxes, timber intents and reports/taxes, FEMA information, applications for abatements, abatements and rebates, transfers of properties, exemptions, credits and the like. This office also generates the warrants for the collection of taxes, and the MS1 and various other reports to the State. Of the 25 abatement applications filed by March 2012 for tax year 2011, 7 were denied and 18 granted.

Beyond the normal reviews of things such as contracts and warrant articles, and advice to various boards on legal issues, the town attorney handles cases in the courts. During 2012: 6 cases filed in previous years concluded with the Town prevailing in 4, reaching agreement in 1, and 1 was withdrawn by the plaintiff. Of the 10 new cases filed in 2012, the Town prevailed in 4, reached a Consent Agreement in 1, 1 was withdrawn by the plaintiff, and 4 are on-going.

The Selectmen approved the hiring of 8 firefighters, 3 ambulance attendants, and 1 police officer, in addition to seasonal employees at the beach and cemetery. The board approved the treasurer's recommendation of a new deputy treasurer, and appointed a Municipal Records Committee. The board also sent letters of opinion to various agencies on topics ranging from budget concerns to the lengthy sidewalk process to the county tax bill. Footwear, snow removal, and septage receiving policies were adopted, and an *Animals Running at Large Ordinance* was placed on the Warrant for 2013. Permanent postings for meetings were placed on the two entrances to the main floor of the Town Hall. The steps at Conant Library were reset, and the exterior of Town Hall had much needed masonry work done. An Invoice Cloud Tax Kiosk has been added to the Town website for property owners to pay their bills on-line. Underwater Solutions cleaned and inspected the Town water tank and found it in excellent condition. Ted Whipple donated 10.9 acres of land abutting the Town Forest and some Conservation land "to protect the forest ranging from old growth white pine at the base to northern hardwood and hemlock mix to hemlock to scrubby oak at the top". NH DOT District 4 placed Jersey barriers along a section of route 119 on the river in Ashuelot with plans to restore that riverbank area and put new guardrails there in the spring of 2013. Watch for Smokey Bear this summer. Donated to the Town by the RED Committee and the Pickle Festival, Smokey Bear was carved during the 2012 Pickle Festival and will be on the front lawn of Town Hall letting passersby know the fire danger rating.

Of special note: Sergeant Scott Hurley and Officer Kevin Clark received New Hampshire Congressional Law Enforcement Awards for Dedication and Professionalism at an awards ceremony at the New Hampshire Police Standards and Training facility in Concord. These two officers assisted Keene officers in pursuing fleeing burglary suspects. The Keene Police Department nominated them for this award.

This has been a very busy year, and citizens are encouraged to participate in meetings and on boards, and to look at the Town's website [www.winchester-nh.gov](http://www.winchester-nh.gov) for minutes, agendas, applications, maps, volunteer forms, and many other items of interest.

The Board of Selectmen would like to take this opportunity to thank all the employees and volunteers who put forth endless hours of work and service to our community. Special thanks to the citizens and taxpayers for your support in making this year productive. We look forward to your continued support, and, once again, hope for a prosperous economy.

Elderly & Disabled Tax Deferral per RSA 72:38-a

Current Use: minimum lot size and other classification requirements.

Intent to Cut Timber: must be filed prior to each cutting operation.

Intent to Excavate: must be filed prior to excavation, and a permit must be obtained from the Town.

Building Permit: must be obtained prior to any form of development as defined in the Zoning

Ordinance. State approvals may also be necessary in some circumstances. No work may begin prior to issuance of a Building Permit. A fee applies: New residential construction is based on \$.12 per square foot; renovations are \$.12 per square foot, and commercial construction is \$.15 to \$.20 per square foot. The minimum fee is \$20.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

Demolition Permit: must be obtained before the demolition and removal of any building. Fee: \$35.00.

Manufactured Housing: permit required to move into, out of, or within the Town. Fee: not to exceed \$100.00. Other information is required such as proof of tax payment and informing Assessing (RSA 72:7-B).

Involuntarily merged lots: If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status. Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred during your ownership without your consent or prior to your ownership if no previous owner consented to the merger. To restore your property to pre-merger status, you must make a request to the local governing body no later than December 31, 2016. Once restored, your properties will again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure nonconformity.

Property Record Descriptions: available at the Assessing Office.

Abatement information and applications: available at the Assessing office.

For the Ensuing Year January 1, \_\_\_\_\_ to December 31, \_\_\_\_\_

or Fiscal Year From JULY 1, 2013 to JUNE 30, 2014

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

## GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

## REMINDERS FOR TRUSTEES

**1. SIGNATURES** - Print and sign on lines provided above.

**2. INVESTMENT POLICY** - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34:5, 35:9).

**3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.

**4. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. [www.doj.nh.gov/charitable](http://www.doj.nh.gov/charitable).

**5. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

**6. CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

**7. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

## REMINDERS FOR TRUSTEES

**1. SIGNATURES** - Print and sign on lines provided above.

**2. INVESTMENT POLICY** - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34:5, 35:9).

**3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.

**4. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. [www.doj.nh.gov/charitable](http://www.doj.nh.gov/charitable)

**5. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

**6. CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

**7. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

# Ashuelot River Local Advisory Committee

---

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale

## 2012 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES). We strive to be educated in a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality monitoring program continued for its twelfth season, in conjunction with the DES Volunteer River Assessment Program (VRAP). We sampled twelve sites along the River's 64-mile length, as well as three sites along the South Branch in Swanzey for temperature, pH, total phosphorus, dissolved oxygen, turbidity, chloride, and conductivity. The costs of testing equipment and lab analyses were covered by contributions from Conservation Commissions along the River Trout Unlimited, and DES. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of monthly sampling May through September. E. coli samples were obtained June through September. River water quality improvement is noted by a continuing decline in total phosphorus, but E. Coli data continue to be inconclusive. The pH readings were slightly higher (less acidic) this year, but conductivity was generally higher. Data can be viewed at <http://des.nh.gov/organization/divisions/water/wmb/vrap/data.htm>. This year, Hinsdale high school students joined us for a day of monitoring, and ARLAC gave a presentation on our water quality monitoring program to the Surry Village Charter School. We also presented to the joint committee of the Keene Planning Board and the Municipal Services, Facilities and Infrastructure Committee on the effects of development in Keene on the Ashuelot River water quality.

A mandated task, ARLAC reviews and comments on state permit applications within the River corridor that have potential impacts on the River. This year, ARLAC submitted comments on eighteen projects proposed in Washington, Marlow, Keene, Swanzey, and Winchester. We are also collaborating with the Connecticut River Watershed Council and other stakeholders in reviewing plans for the relicensing of the Bellows Falls, Vernon and Turners Falls dams.

Two ongoing projects are the restoration or removal of the West Street Dam in Keene and the Ashuelot River Stream Crossing Improvement Project (ARSCIP). ARLAC continues to support dam removal based on the environmental benefits demonstrated in other dam removal projects in the Ashuelot and other rivers. We also support the efforts of the Keene Conservation Commission to research the possible effects of dam removal on upstream wetlands and the dwarf wedge mussel. ARSCIP is spearheaded by Trout Unlimited, in collaboration with a number of other stakeholders. The anticipated removal of three severe barriers to fish passage in streams throughout the Ashuelot watershed did

not occur in 2012, superceded by restoration work needed after storm Irene. It is hoped that funding will be found to re-instate this project in 2013.

ARLAC hosted presentations on a possible demonstration hydropower project located at the West St. Dam, an upcoming photographic essay of the River, and SWRPC's project assessing the capability of road-stream crossings to withstand flooding. We attended a state-wide meeting of LAC's and continue to work with Keene State College (KSC) students on River projects.

River cleanup took place on October 5<sup>th</sup> and 6<sup>th</sup> in conjunction with KSC Community Service Day. More than 300 volunteers participated, removing more than 2,500 pounds of trash and 23 shopping carts from the Ashuelot & Branch Rivers in Keene and Swanzey, and Beaver Brook in Keene.

ARLAC lost one of our members with the passing of Dan Carr in June. We will miss his insights, good humor and dedication. ARLAC meets monthly in the evening of the third Tuesday in Keene. The Local

Advisory Committee invites citizens and town officials to contact their local ARLAC representatives with any concerns or input.

Respectfully submitted,

*Barbara Skuly*

Chairman

2012 Membership: Pablo Fleischmann, Gilsum; John Davis, Surry; Jim Holley & Brett Thelen, Keene; Barbara Skuly & Stephen Stepenuck, Swanzey; Dan Carr, Winchester; Serena Benedict & Lisa Bomba, Hinsdale.

Dear Board of Selectmen:

We have been in receipt of you 2012 taxes. As we have done in the past, we are providing information specific to your municipality to explain how the County taxes are allocated.

The formula for Winchester's portion of county taxes is based on the town's percentage of equalized valuations including utilities to the overall total equalized valuations for all Cheshire County municipalities. For example, using the data from the information below, Winchester's equalized valuations for 2012, of \$292,382,353.00, is 4.1791% of the total equalized valuations in Cheshire County of 6,996,314,936. That percentage is then applied against the total dollar amount of taxes to be raised.

The process described above is a calculation performed by the Department of Revenue Administration after they have received all valuations from the Towns in Cheshire County and the City of Keene and the total amount of taxes to be raised from Cheshire County each year. It is from the DRA's certified Tax Apportionment that the County produces the bills.

Cheshire County Tax Allocation for the Town of Winchester for 2010-2012:

	<u>2012</u>	<u>2011</u>	<u>2010</u>
Total Cheshire County Equal Valuations	\$6,996,314,936	\$7,232,407,496	\$7,270,687,176
Winchester's Equalized Valuation including Utilities & Railroads*	\$292,382,353	\$277,839,595	\$251,811,652
Winchester's % Proportion to County Tax	4.1791%	3.8416%	3.4634%
Total Cheshire County Taxes	\$23,135,680	\$23,861,006	\$22,452,755
Winchester's Apportionment of County Budget *DRA uses prior year	\$966,861	\$916,643	\$777,625
Equalized Valuations to allocate current year County Taxes.			

If you have additional questions regarding this process, please contact the Department of Revenue Administration for further information.

Sincerely,

*Sheryl A. Trembley,*  
Finance Director

**2012 Report to the Town of Winchester**

The Community Kitchen, Inc. is a not-for-profit, direct service agency which provides hot meals, take-home food boxes and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since the founding of the Kitchen in 1983, we have distributed and/or served over 13 million meals to people in need.

Our Pantry Program distributes take-home supplemental food boxes on Wednesdays from 12:30pm to 5:30pm and Thursdays from 11:30am to 4:00pm. Each box provides approximately three meals per day for three days for each member of the household. Computerized and handwritten records are kept of family names, number of people, street addresses, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information.

Total Unduplicated Winchester/Ashuelot Residents in 2012: 426

Total Meals in Food Boxes distributed to Winchester/Ashuelot Residents in 2012: 33,021

**Financial Information:**

The actual cost of Pantry meals provided to Winchester/Ashuelot residents by The Community Kitchen for 2012 was \$32,691. Approximately 60% of the food we distribute is donated from local retailers, restaurants and wholesalers. We purchase the remaining 40% from sources such as the NH Food Bank, the VT Food Bank and through local wholesalers and supermarkets.

The Community Kitchen serves a free, open-to-all dinner Monday through Friday from 5:00pm to 6:30pm and a lunch on Sundays from 12 noon to 1:30pm. Meals are prepared by a volunteer crew under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at supermarkets, restaurants and bakeries. The meals consisting of a meat and a vegetarian entrée, a garden salad, at least 2 vegetables, soup(s), fruit, bread, dessert and beverages are served by volunteers. No Town funds are requested for this program.

For 2013 The Community Kitchen is requesting an appropriation of \$15,000 to continue to provide food to those in need.

For additional information, please visit our website at [www.thecommunitykitchen.org](http://www.thecommunitykitchen.org) or contact the Kitchen directly as tours of the facilities are always available and show the scope of our work, especially on a distribution day.

We appreciate your support,

Our summer reading program had a new element this year. Adults and teens could also earn a Toadstool gift certificate. Why should children be the only ones to have the fun? Our theme was entitled "One World, Many Stories". We had 74 children and 51 adults/teens participate. In other activities, children researched and matched 196 countries with their capitals and flags. Mariposa Museum from Peterborough showed us artifacts, clothing and toys from many cultures. The summer ended with an animal program from Granite State Zoo.

The library purchased a Kindle this year. It has been helpful with making books available to those needing larger print. Anyone wishing to try our Kindle should speak to a librarian.

Our building got a much needed addition. A utility sink was installed in the basement. The custodian no longer needs to use the bathroom or employee room to get water for mopping. This is a healthier and more convenient solution.

## Winchester Conservation Commission 2012 Annual Report

The mission of the WCC is to ensure the proper use and protection of all natural resources within the town, including our lake and watershed resources.

The WCC manages several parcels of land for the town. Most are designated town forests; three are lands with conservation stipulations, abutting town forest property. All town lands managed by the WCC are open for recreational purposes, such as hiking, picnicking, snowmobiling, and hunting and fishing where appropriate.

The WCC is an advisory board only, offering suggestions or concerns to other boards.

The commission may protect natural resources by using the Conservation Fund to acquire land or water resources.

### Accomplishments of the WCC in 2012,

- **Members attended** the annual meeting and workshops of the NH Conservation Association.
  - **Facilitated** a donation of land from Ted Whippie to the town of Winchester to be maintained as untouched forestland to eventually become an example of “Old Growth Forest”. (This donation is a result of WCC mitigation done for the Forest Society of NH when negotiating for permission for the cell tower.) The cell tower owners currently pay the town \$24,624 a year.
  - **Agreed to support** the Forest Lake Association with its management plan.
  - **Helped to finance** the milfoil treatment at Forest Lake.
  - **Donated to the Ashuelot River Advisory Board** for quality testing of the Winchester section of Ashuelot River.
  - **We are members of** NH Assoc of CC, NH Timberland Owners Assoc, and The Monadnock Conservancy.
  - **Worked to improve** the Forest Lake and Gardner Mountain town properties.
  - **Assisted** the Access Program with an ongoing project mapping the trails on the Gardner Mountain property.
  - **Backed a project by the YCC** to work on trails and produce trail brochures for the Gardner Mountain Trail, and work on the trail at the Wulff property.
  - **Supported continuing efforts** by other conservation agencies and land trusts who share our interest in protecting exceptional land near Mirey Brook, and important farm lands in the South Parrish area.
  - **Monitored the speed park** currently renting conservation lands abutting their track, to ensure that the rules of our contract are being carried out properly.
  - **Reported wetlands violations** to the wetlands bureau.
  - **Reviewed** dredge and fill applications in wetlands, and in some cases intervened or requested time to investigate permit applications.
  - **Consulted** with the planning board on proposed sand and gravel excavation and restoration plans, and reviewed intents to cut timber when wetlands were involved.
  - **\$1100 each month** to the town from the owners of the cell tower at Meeting House Hill.
- WCC meetings are held on the third Thursday of the month at 7pm on the main floor of the town hall. The public is welcomed.**

**Ellen Lambert Murphy Memorial Community Center**  
**Annual Report FY 2011-2012**

The E.L.M.M. Community Center would like to express its gratitude and appreciation to our voters and taxpayers for generously subsidizing youth recreation and to the hundreds of adult mentors who volunteer their time to support the children of Winchester and Ashuelot. Your support encourages our children to explore new opportunities in our own community and beyond, giving them experiences encouraging growth and positive development.

In this fiscal year the E.L.M.M.C.C. collaborated with WGYB, a local parent-led coalition supporting and educating the community about underage drinking and drug abuse, to host a fabulous six-week summer camp program. Summer Camp 2011 hosted 54 youth in grades K-8<sup>th</sup> in another action-packed, fun-filled six weeks of summer activity. Campers enjoyed a variety of both educational and physical field trips throughout the summer. Daily trips to Winchester's own Forest Lake and weekly visits from Kona Ice continued to bring smiles to our group.

During the weeks of the 2012 winter and spring vacation, Winchester and Ashuelot community leaders made up of parents, grandparents, librarians, board members, school teachers and Scout leaders, volunteered to chaperon girls and boys in a variety of activities and field trips – trips exercising both the body and the mind. A few destinations included Granite Gorge, Roll On America, Vertical Dreams Indoor Gym, the Montshire Museum, the Ecotarium, V.I.N.S. Conservation Center, the N.E. Air Museum and Southwick Zoo. February and April Camps continue to remain important as the hours of organized activity support the working parents of Winchester and Ashuelot.

In 2011-2012, the E.L.M.M. Community Center sponsored a variety of athletic opportunities for children and adults of all ages. The E.L.M.M.C.C. and local merchants sponsored an average 70 youth in the intramural fall soccer and the spring Tri County baseball programs.

Adult programming varies from year to year with exception to the Tai Chi class. Adult T'ai Chi participants meet weekly to practice the methods and forms learned and now shared by Carol Poole. Bowling continues to be apart of Winchester's heritage. The E.L.M.M. Community Center candlepin bowling center sponsors four adult bowling week-night bowling leagues. In the spirit of our founding father, these two programs are offered for as little cost as possible for the residents of Winchester and Ashuelot.

The E.L.M.M. Community Center hosts and supports the missions of local organizations such as Cheshire County Fish & Game, Home Healthcare and Hospice, Southwest Community Services, the Monadnock Tri County Dance Club and the Winchester Woman's Club. In addition, the E.L.M.M. Community Center continues to provide space free of charge to the Girl Scouts of America, SWCS Woman, Infants and Children's program, SWCS Commodity Foods, HCS Senior Foot Clinic and HCS Age In Motion Exercise.

*"I hereby dedicate these grounds these buildings to the encouragement of the eternally glorious arts of design, of music, of drama and of the practical handicraft; to the fostering of community ideals and community action; to the development of wholesome sports and recreation; to the dissemination of a spirit of neighborliness, of tolerance in opinions, of civil enterprise and good citizenship".~ Gov. ## Emergency Management Report

The year 2012 was a busy year again for the Emergency Management team. In addition to the Vermont Yankee training sessions and drills throughout the year, the team was also called upon to help with flooding and power outages across our area.

We have also been working with our State Officials in hopes of getting help for the Town through the Federal Grant Program.

As we enter the year 2013, we expect to continue with the training and drills provided by Vermont Yankee.

One of the main objectives of the Emergency Management team is to respond to all natural and man-made hazards. Our mission for 2013 is to strengthen our ability both, effectively and efficiently to prepare for, respond to and mitigate all emergencies and disasters that our Town and State may have going forward. The continued support and coordination of our Local, State and Federal Agencies play a critical role in the safety of our town.

The Emergency Management team would like to thank department heads, employees, volunteers, Police, Fire and Ambulance personnel for their continued help and support throughout the year. I would like to extend my sincere appreciation to all of you folks.

Respectfully Submitted,

*Herbert C. Stephens, Sr.*

Emergency Management Director

The Winchester Fire Department would like to thank the residents of Winchester for all the support you continue to give the WFD. You all should be very proud, as I am, to have such dedicated men and women who serve on the fire department and are on call every day to help keep residents and the town safe.

This year we responded to a wide variety of calls that ranged from public assists to motor vehicle accidents to house fires. Public assists take on many forms ranging from a cat stuck in a tree to water in the basement. There was also an increase in the oil and gas spills. We responded to several brush fires, chimney fires as well as trees and wires down, motor vehicle accidents and structure fires.

I would like to remind you to change the batteries in your smoke detectors and your carbon monoxide detectors. A good time to remember is when you change your clocks in the fall and the spring. I would also like to ask each resident to please have your house number visible from the road to help assist us to find you in the case of any emergency. Thank you.

Respectfully Submitted,

## **Highway Department 2012 Annual Report**

This past winter we had a total of 32.5" of snow measured at the Highway garage, if you count the unusual storm in October (if not subtract 24") and a total of 4 rain/8 ice events. We treated the roads 12 times for ice; total amounts of material used were 619 tons of salt and 1500 yards of winter sand. A mild winter for sure.

Some of the projects that were done this past summer were:

- 1) One mile of Bolton Road was reclaimed and gravel added where needed, chloride added and hopefully the budget will allow us to pave the road in the 2013 season.
- 2) Paved Seminary Road with a 2" base. Another inch should be added for longevity.
- 3) A 1" shim coat was put on Acorn Drive; again another inch should be added for longevity.
- 4) Sand sealed the second mile of Old Westport Road.
- 5) Shimmed Clark Road.
- 6) Paved the five way intersection, Elm Street, Clark Road, Old Chesterfield Road, Woodard Ave. and Old Westport Road.
- 7) Paved the top half of Michigan Street.
- 8) Paved the middle section of Parker Street.
- 9) Paved over the bridge on Mine Road.

The following is a list of regular maintenance projects:

- 1) Sweeping streets, sidewalks and parking lots in the village district.
- 2) Replenishing stockpile of winter sand, which came from our own sand pit, saving taxpayers thousands of dollars.
- 3) Grading all gravel roads, adding gravel where needed.
- 4) Continually unplugging culverts daily for several months due to very active beavers.
- 5) Patching potholes.
- 6) Shoulder and ditch work.
- 7) Applying calcium chloride for dust control and road stabilization.
- 8) Annual catch basin cleaning and repair.
- 9) Assisting the Wastewater Treatment facility and Water department with raising manhole structures and curb stops.
- 10) Assisting the Town Beach, Transfer Station, Town Hall, Water and Sewer Department with projects or any other needs they had that required our equipment, manpower and expertise.

If anyone has any concerns regarding our roadways or any other Highway Department issues, please contact me at 239-4811 or send me an e-mail at [dgray@winchester.nh.gov](mailto:dgray@winchester.nh.gov). The Highway Department personnel and I appreciate your continued support.

## Historic District Commission Report 2012<sup>1</sup>

The Historic District Ordinance was adopted by the voters March 11, 1997. The overall purpose: *It is hereby declared as a matter of public policy that the recognition, preservation, enhancement, and continued use of buildings, structures, sites, and areas within the historic districts ..... having historical, architectural, cultural, or design significance are required in the interest of the economic prosperity, cultural enrichment, health, and general welfare of the community.*

The ordinance continues: detailing the purposes, establishing the commission, outlining the powers and duties of the commission, defining the historic districts, and explaining the procedures of application, review criteria, certificate of approval, and appeals.

There are two historic districts, one in the village and the other in the main section of town. Both districts encompass part of their downtown areas as well as some homes on nearby streets. Drivers on routes 119 and 10 will see signs marking the districts in downtown Ashuelot and downtown Winchester.

The commission is working to document and preserve the history and structural beauty within the two districts. Research shows that the more a community does to enhance its own special assets, the more people and positive business it will attract.

Please support our efforts and join us at meetings and lectures as we strive to preserve Winchester's unique heritage.

The Winchester Historic District Commission normally meets on the fourth Monday of the month at 7 PM on the main floor of Town Hall. We invite interested citizens to attend.

---

<sup>1</sup> Appointed commission members are Mike Harman (Chairman), Julia Ferrari, Gene Parks, Sherman Tedford (Select Board rep), Kim N. Gordon (Planning Board rep and commission secretary), and alternates Cherie Rowe, Denis V. Murphy II, and Matt Ambrogio.

## LAND USE DEPARTMENT 2012 ANNUAL REPORT

(Planning Board, Zoning Board of Adjustment, Code Enforcement, Building Inspection)

### **Planning Board:**

The board consists of six elected members, one Selectmen's Representative and four appointed alternate members. The board accepts and decides on applications for subdivisions, site plan reviews, earth excavations, boundary line adjustments and lot mergers. The board also meets potential applicants for consultations. The board is responsible for all updates to its regulations, ordinances and other various documents. This year the board addressed:

Consultations – 6

Site plan reviews – 6 (4 approved, 1 denied, 1 withdrawn)

Subdivisions – 0

Boundary line adjustments – 2

Earth Excavation – 1

The board updated the subdivision and site plan review regulations and rules of procedures, and incorporated the zoning amendments the voters approved in March.

The board has 8 zoning amendments for the public to vote on this March 2013. Most are housekeeping changes. There is a complete update to the table of usage proposed. The table of usage has been consolidated from 6 pages to 2 and changes were made to make usages more consistent and compatible in this day and age. A full copy of the text is available for review. We ask for your support on these changes by voting yes.

Some board members attended classes to keep them up to date on changes in land use laws. Again this year, the board prevailed in two lawsuits regarding board decisions.

Sincerely,

*Dean Beaman*, Chairman

### **Zoning Board of Adjustment:**

The ZBA consists of five appointed members and three appointed alternate members. The ZBA decides appeals of variances, special exceptions, equitable waivers of dimensional requirements, and appeals from administrative decisions. The board welcomed two new members this year. Some members attended classes on updates to current land use state laws. The board prevailed in an appeal of a decision before Superior Court. This year the board addressed:

Special exceptions – 4 approved

Appeals – 2 denied

Variance – 3 (2 denied and 1 approved)

Sincerely,

*Lou Fox*, Chairman

**Building Inspection and Health Officer:**

There were 121 permits issued in 2012 which is a steady increase over the last three years. Of these permits two were for new homes, three for new commercial businesses, and many others were for additions, garages and in-law apartments. All building permit applications are online at [winchester-nh.gov](http://winchester-nh.gov). Office hours are 10am-12pm.

The Health Officer conducted the yearly grease trap inspections of 12 facilities in the town with the assistance of the water/sewer superintendent. No serious infractions were found.

The Officer also addressed four homes in town with bed bug infestation. He was able to work with the owners and an exterminator to eradicate the bugs from these homes.

He addressed failed septic systems this year, leading to one condemnation of a home. He is also assisting the Code Enforcement Officer with inspections of homes for health and life safety compliance.

Sincerely,

*Leroy Austin*

BI/HO

**Code Enforcement:**

The Code Enforcement Officer has a new face. Margaret Sharra assumed the responsibilities of code enforcement. The officer has been working very closely with the town health officer and fire chief inspecting properties for compliance to various life safety codes. These inspections prompted a condemnation of an apartment building due to numerous life safety violations. These town officials will do their best to assure the residents of Winchester they live and work in safe buildings.

The office is addressing long-standing “junky yards” by working with the property owners to clean up and in some cases, as last resort, bringing the violators to court. The office is looking into other avenues of issuance of violation notices to codes that may expedite violators coming into compliance sooner and with less time and expense to the town. Please keep your yards free of unwanted, unusable and unneeded items. Complaint forms are available online.

**Land Use Administration:**

All administrative and technical needs of the Planning Board, ZBA, Building Inspection, Health Office and Code Enforcement are handled by the Land Use Administrator. All applications, regulations and forms for these departments are available in the Land Use Office or online @ [winchester-nh.gov](http://winchester-nh.gov). The office is open fulltime and ready to assist you with your questions and ideas.

Sincerely,

*Margaret Sharra*

Land Use Administrator/Code Enforcement

## Winchester Police Department

6 Parker Street  
Winchester, NH 03470  
Telephone: 603-239-4814 Fax: 603-239-6845

### Gary A. Phillips Chief of Police

It is with enthusiasm that I present to you the 2012 Annual Report of the Police Department. While this past year has continued to tax our resources, it is your police department's philosophy and organized strategy to work with the citizens of the Winchester community and other law enforcement and social entities to solve the problems of crime, fear of crime, physical and social disorder, and neighborhood decay. The Winchester Police Department is a full service, fully trained, professional police organization providing twenty-four hour law enforcement services seven days a week.

Criminal and adverse social behavior trends this past year continued to escalate, and arrests increased by 22% over last year. The lingering sluggish economy and the continued cutbacks in State support services remained a challenge, especially for small police departments like ours. On a positive note, motor vehicle accidents have declined.

The Department's overall prosecutorial representation continues to be outstanding. Our court conviction record is in excess of 96%.

The Department applied for, and received, Federal and State grant monies last year. The outside funding was for increased traffic speed enforcement patrols (90 hours) and weekend DWI enforcement patrols (90 hours) and four new police radios. Our federally funded Youth Aid program continues to provide a valuable resource to the local schools and youth of our town.

Special thanks are due many businesses and individuals for their support during this past year: to Innovative Machine for their generous donation of fabricated steel to aid in protecting our dispatch area; to Wal-Mart, Andy's Cycle, and Kulicks Market for their financial and moral support; to Rountree Ford, the Winchester Police Association, an anonymous individual, and Marshall Royce of Cha's Convenience Store for supplies and labor involved in the lettering, detailing, and repainting of two cruisers; to Herb Stevens for donating surveillance cameras; to Officer Cameron Prior who donated and installed on his own time LED lighting systems for the cruisers; to our officers who donated their own time in continuing to renovate the police station. There are so many more....thank you to all.

I particularly wish to thank the dedicated officers, support staff and Animal Control Officer under my command. It truly has been a privilege to serve with them. Not a day has passed that I haven't marveled at their commitment to service to the citizens of Winchester.

Respectfully submitted,

*Gary A. Phillips*

## Winchester/Richmond Solid Waste Management District 2012 Annual Report

Requirements of the Solid Waste District include the monitoring of the closed landfill. Items in the mandate from the Department of Environmental Services consist of testing of the surface water, groundwater and methane gas. Other duties include: survey settlement platforms, mowing twice a year, check and clean drainage swales, check for erosion (loam and seed if needed), ensure proper signage is in place around the perimeter. The D.E.S. Groundwater Management Permit was renewed this past year (every 5 years). Because all testing continues to yield good results the permit requirements will be less stringent and less costly.

The Transfer Station has seen some improvements over the past year, most notably drainage improvements by adding another catch basin and drainage pipes to divert water from the work area. All work was performed by the Highway Department including placement of 20 tons of hot top over the disturbed areas. The Brush Pit area was enlarged to make for a better traffic flow. A surprise this past year was less municipal solid waste (household rubbish) handled and shipped off site. A first since actual tonnage has been recorded (15+ years). On the negative side, a few patrons brought illegal materials to the brush pit, now all loads will be inspected. Only brush or slash under 5" and clean wood with a end cross section of 24" or less will be accepted. Painted, treated wood such as plywood, pressboard or pressure treated boards will not be accepted. **Please read the sign at the gate to the brush pit.**

The following is a list materials and approximate amounts handled at the Transfer Station:

Municipal Solid Waste (household rubbish)	1,565.88 tons	Glass	126.00 tons
Co-mingled (tin, aluminum, plastic)	44.05 tons	Metal	85.00 tons
Mixed paper including cardboard	165.97 tons	Tires	2.80 tons
Construction and Demolition debris	86.12 tons	Waste Oil	860.00 gal.
Textiles (Planet Aid containers)	6.10 tons	Compost	170.00 c.y.

No household hazardous waste will be accepted at the Transfer Station. Watch the Monadnock Shopper and Keene Sentinel for dates at the Keene facility where residents may drop off household hazardous waste free of charge.

Stickers to gain access to the facility are available at both Richmond and Winchester town halls, and at the Transfer Station. The cost is \$20.00 for the first household permit and \$1.00 for other vehicles at the same residence. The stickers are valid from October 1<sup>st</sup> through September 30<sup>th</sup> each year.

Transfer Station hours: **Tuesday 8-4, Thursday 8-7 and Saturday 8 - 5**  
Phone: 239-8136

## 2011-2012 Winchester Annual Report

With the support of the Town of Winchester,  
Southwestern Community Services provided:

\$854,194.14 in Direct Assistance to Winchester Residents

\$866.32 - Average Benefit per Winchester Household Served

\$403.87 - Average Benefit per Winchester Resident Served

986 - Total Number of Winchester Households Assisted

2115 - Total Units of Service Provided to Winchester

Southwestern Community Services would like to thank the citizens of Winchester for your support. Our Community Statement reads, "In partnership and in close collaboration with local communities, SCS will provide leadership and support to develop resources, programs, and services to further aid this population". True to the community statement, we could not do this without your assistance.

SCS strives for a day when our services are not needed. Until then, SCS will continue to work with Winchester to provide leadership and support to develop resources, programs and services to aid local communities and their citizens. Because of our partnership, SCS served 986 households, provided 2115 units of service and spent \$854,194 in direct assistance in Winchester in FY 2011-2012.

We look forward to future cooperation between SCS and Winchester. We always welcome visitors and encourage you to stop by our offices in Keene or Claremont for a tour and to further discuss the services we are able to offer. Thank you.

Sincerely,

*Jamie L. J. White*

---

The Thayer Public Library Trustees had a very productive year. Trustees worked in 2012 to make the library a thriving community center and a place for everyone to come and enjoy. We began the year with a Winter Festival in January. We welcomed 54 guests with luminaries lining the property and the library decorated for the holidays. The evening had music, food, and dancing. We plan to make this an annual event. We then continued the year with several more events: Valentine card making; a Garden Party with Patti Powers from Cheshire Gardens of Winchester; drumming with Gloria Matlock; guitar lessons; pet birthday party; holiday card making and decorating; and an Ashuelot Village Historic House Holiday Tour, with book signing and refreshments. In conjunction with the Winchester Historical Society there was a Bridge Appreciation Day tour.

The library has seen changes this year. After cleaning the mildew from the woodwork & salvageable books, we focused on updating our collection. Librarians and trustees from other towns within Cheshire County donated hundreds of books to reline the shelves. The librarian and the Friends of the Thayer Public Library, all volunteers, have had the daunting task of cataloging all of the current circulating books - 4,732 to be exact. There is a continued effort to research and catalog all of the library's original holdings – some dating to the late 19th century.

This summer the Trustees had more electricity installed within the library. There were few outlets and it was essential to install for the new computers that were donated to the library by the W.G.Y.B. organization. This enabled us to install wireless internet services by the fall. Overall, we had 493 people visiting the library and 164 people specifically attending our events. The Thayer Library Board of Trustees also applied and received a Moose Plate Grant to have the tin ceilings repainted. The grant is being processed by the Board of Selectman to go out to bid in early 2013.

The trustees have set the new library hours to offset the hours at the Conant Library. Currently open: Tuesday 3-7, Thursday 1-5 and Sunday 10-2. This allows Winchester residents to have access to a public library seven (7) days a week. Our new phone number is: 392-0175.

This library is currently operated by a volunteer staff. We are always looking for anyone interested in joining our dynamic team! We have much work ahead of us. The Thayer Library Board of Trustees would like to thank Jennifer Bellan, our acting librarian, along with our neighbors in the community who have supported the library with a multitude of donations and services.

FACILITY #NHG580404  
ANNUAL REPORT 2012**

The Wastewater Treatment Facility is municipally owned by the Town of Winchester and operated by NH DES licensed wastewater operators. Wastewater treatment plant operators operate and maintain the equipment at the treatment plant that removes waste products from water. They maintain pumps, pipes, valves, and processing equipment to move wastewater through collection systems and through various treatment processes. They read and interpret meters and gauges. They also operate chemical-feeding devices, perform laboratory analyses, and keep records of their work. Winchester's operators are familiar with electricity, mechanics, chemistry, microbiology, hydraulics, and participate in continuing education to maintain their certification.

In the fiscal year of 2011-2012 the plant processed and treated over 63 million gallons of wastewater before discharging it back to the Ashuelot River for reuse. Chlorine residuals and the pH levels of the influent and effluents are tested on a daily basis. Weekly and monthly samples are collected and analyzed for harmful containments at the plant's laboratory and additionally analyzed by contracted laboratories.

In the months of July to September the plant processed 90,000 gallons of liquid sludge transported to Erving, Massachusetts for disposal. In September of 2011 the plant put new sludge dewatering equipment in service. Winchester's centrifuge dewatered 591,969 gallons of liquid sludge with 158.5 ton of dewatered sludge transported to outside facilities for disposal. Necessary identified improvements of Winchester's facility will promote long-term viability and sustainability. As the plant enters new phases of the facility upgrades, operators decommission out of service equipment and prepare for the implementation of new equipment.

Winchester's wastewater operators are responsible for all aspects of the collection system. Inspection and maintenance of Winchester's sewer main pump stations, and manholes are performed on a daily, weekly and on a semiannual basis while offering its resources to assist Winchester's Health Officer and Highway Department. Sharing resources reduces costs associated with contracted labor and equipment.

The Winchester Wastewater Treatment Facility is open Monday through Friday, 7am to 3:30 pm. Operators are available 24 hours a day, 7 days a week for all sewer emergencies. Winchester's Wastewater Treatment Facility is located at 64 Duso Rd., Winchester. Visitors are welcomed. Please call 239.4132 to schedule an appointment.

Respectfully,

**TOWN OF WINCHESTER  
WATER DEPARTMENT #2531010  
ANNUAL REPORT 2012**

The Water Department is municipally owned by the Town of Winchester. All of our water derived from three gravel packed wells, two wells are located on Keene Rd. and one on Richmond Rd. During the fiscal year of 2011-2012 Winchester Water Department delivered 114,707,900 gallons to over 1100 municipal water connections through nearly 150,000 feet of underground water main. Each well is monitored daily by operators licensed by New Hampshire Department of Environmental Services (NH DES). Winchester's Water Operators are responsible for recording daily water output, water temperature and chemical additives. Water samples are collected on a monthly, quarterly and on an annual basis and laboratory screened for bacteria, organic and inorganic compounds. All data collected is reported to Winchester's monitoring authority, NH DES. For testing results please visit [www2.des.state.nh.us/DESOnestop/PWSDetail.aspx?ID=2531010](http://www2.des.state.nh.us/DESOnestop/PWSDetail.aspx?ID=2531010).

In addition to ensuring quality drinking water, department personnel are charged with maintaining the infrastructure of the distribution system and play an integral role in Winchester's fire protection plan. In the spring and summer months the department implements a proactive preventative maintenance program exercising valves and hydrants making repairs where necessary decreasing potential risks of emergency repairs. In addition to water conservation efforts the department has also focused on capturing lost revenues. In 2011 the department launched a new meter program. We are happy to report that the project is half way to completion and thank you all for your cooperation. Winchester's water, sewer, and highway departments coordinate projects utilizing resources to their fullest capacity. Cross training personnel enhances services while reducing costs to the consumer, the taxpayer.

In the fiscal year of 2011-2012 the department led a clean water initiative that included inspection and rehabilitation of two wells and Winchester's only storage tank. Well rehabilitation is periodically required during the life of a well, as groundwater may contain bacteria, iron, high mineral content, or other contaminants and screen openings may become blocked, reducing the capacity and productivity. In April 2012 the Town of Winchester contracted the Layne Christensen Company to rehabilitate both Well #1 and #2. Layne Christensen reports that Winchester's wells are structurally sound provided each well with minor replacement parts as a preventative measure and Well #2 was outfitted with a new 5 stage bowl assembly. The Town of Winchester contracted ***Underwater Solutions*** to thoroughly inspect and clean the municipal water storage tank. Originally constructed of concrete in 1947 it has the capacity of reserving 550,000 gallons of potable water. Periodically the tank requires inspection and cleaning. Divers report no obvious signs of concrete fatigue and cracking that may expose our potable water to bacteria and other harmful contaminants. Full reports from Layne Christensen and Underwater Solutions are available at Winchester's Town Hall, Monday through Thursday 7:00 am - 3:30 pm.

Normal business hours of the Winchester Water Department are Monday through Friday, 7am to 3:30pm. The department is on call 24 hours a day, 7 days a week for all water emergencies.

Respectfully,

*Richard Meleski*

Superintendent

**TOWN MEETING WARRANT  
SB2  
TOWN OF WINCHESTER  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 4<sup>th</sup> of February next 2012 at nine o'clock in the forenoon to discuss, debate and amend warrant articles #1 through #41 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees, and act thereon. Final vote will be by the official ballot on Tuesday, March 13, 2012.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday the 13<sup>th</sup> of March next 2012 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

**Warrant Article 1:** To choose all necessary Town Officers for the ensuing year.

**Warrant Article 2:** Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,946,475.00 (two million, nine hundred forty six thousand, four hundred seventy five dollars)? Should this article be defeated, the default budget shall be \$3,649,826.00 (three million, six hundred forty nine thousand, eight hundred twenty six dollars) which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- The \$2,946,475.00 budget figure does not include the Sewer or Water department operating budgets. The \$3,649,826.00 default budget figure does include the Sewer and Water departments because the default budget is based on last year's figures when those departments were included in the Town budget.
- Not recommended by the Board of Selectmen 5-0
- Recommended by the Budget Committee 9-1, 1 abstention

Change to read: Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,071,587.00 (three million, seventy one thousand, five hundred eighty seven dollars)? Should this article be defeated, the default budget shall be \$3,649,826.00 (three million, six hundred forty nine thousand, eight hundred twenty six dollars) which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- Recommended by the Board of Selectmen 5-0
- Recommended by the Budget Committee 8-1

YES 629                  NO 111

**Special Warrant Article 3:** To see if the Town will vote to raise and appropriate the sum of \$299,430.00 (two hundred ninety nine thousand, four hundred thirty dollars) for the operations of the Sewer Department, the funds to be raised by user fees, or act in any manner thereon. This article will not affect taxation. (Majority vote required)

- Recommended by the Board of Selectmen 5-0
- Recommended by the Budget Committee 8-1

YES 581      NO 159

**Special Warrant Article 4:** To see if the Town will vote to raise and appropriate the sum of \$238,372.00 (two hundred thirty eight thousand, three hundred seventy two dollars) for the operations of the Water Department, the funds to be raised by user fees, or act in any manner thereon. This article will not affect taxation. (Majority vote required)

- Recommended by the Board of Selectmen 5-0
- Recommended by the Budget Committee 8-1

YES 568      NO 162

**Warrant Article 5:** To see if the town will vote to raise and appropriate the additional sum of \$100,000.00 (one hundred thousand dollars), for the purpose of funding the Transportation Enhancement sidewalk project approved at the March 2010 Town Meeting under Article 4, involving reconstruction of the west side downtown Main Street sidewalks and installation of new sidewalks from downtown to Kulick's Shopping Center, \$80,000.00 (eighty thousand dollars) to come from the Transportation Enhancement grant and \$20,000.00 (twenty thousand dollars) to be paid for in taxes. Further to authorize the Board of Selectmen to borrow \$80,000.00 (eighty thousand dollars) in anticipation of receipt of the grant payment, in accordance with RSA 33:7-b. This article is contingent on the Town receiving the \$80,000.00 (eighty thousand dollars) additional money from the Federal Transportation Enhancement Grant, which the Town is hereby authorized to accept, the remaining \$20,000.00 (twenty thousand dollars) to come from taxation. (3/5 majority vote required)

- Recommended by the Board of Selectmen 3-2
- Not recommended by the Budget Committee 6-5

YES 352      NO 397

**Warrant Article 6:** To see if the town will vote to ratify the decision of the Board of Selectmen and to authorize the acceptance of a COPS grant, providing the full cost (salary and benefits) to hire a Youth Aid Officer for 36 months with federal funding up to the amount of \$201,587 during the calendar years 2011, 2012, and 2013, conditioned upon the Town funding the Youth Aid Officer position for one additional year (2014), and no reduction in the police force during the years of the grant. The failure of either condition would result in the town repaying to the federal government all funds expended under the grant. Further to raise and appropriate \$56,000.00 (fifty six thousand dollars) for the purpose of funding this position with said amount to be offset by receipt of the COPS Grant and no amount to be raised from taxation. **Warrant Article 18:** To see if the town will vote to raise and appropriate the sum of \$130,000 (one hundred thirty thousand dollars) for the purpose of acquiring Map 5 Lot 103-1, 99 Hawkins Rd., single family home on 3.3 acres. The Town of Winchester's water storage is in a critical state. The current water storage tank was built in 1947. The priority is high for the Town of Winchester to erect a new water storage tank. The Winchester Conservation Commission has purchased 28 acres – Map 5 Lot 103, with elevation appropriate to erect a water storage tank on Meetinghouse Hill abutting the subject property – Map 5 Lot 103-1. By acquiring the Map 5 Lot 103-1 property, the Town of Winchester will facilitate their access to a new water storage tank on the Conservation Commission's land on Meetinghouse Hill. Additionally, acquiring this property would allow the town to discontinue Hawkins Rd. as a town road, relieving the town of the burden of plowing and maintenance. Hawkins Rd. is a steep and windy road accessing just one house.

Dear Citizens of Winchester,

The W/Nchester School District has undergone some significant changes during the last year. Coleen Duquette, Wendy Hildreth and Jennifer Gile, who offered a great deal of dedication and support, are no longer on the school board, and we have welcomed Elisha Jackson, Rick Horton and Jason Cardinale to accept the responsibilities of the present Winchester School Board members.

At the SAU level, Dr. Ken Dassau, Charles Paulin, Christopher Boyle, and Patti Kasal have decided to pursue other interests. We want to thank them for sharing their outstanding skills with the W/Nchester School District during our first year as a separate SAU.

The board prioritized fiscal controls this year. Running any school is expensive, but we wanted to make sure we got the best "bang for the buck." Jim Lewis, who has assumed the Superintendent role along with maintaining some building level responsibilities, has worked with the board examining high school data and options, as well as sped costs. See Jim's report for more building-level information.

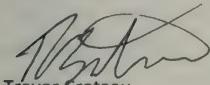

Special Education remains to be a focus of the board. Currently our school population is about 30 percent SPED. The SPED services can range from support services within the school to out of district placement. The board is exploring options to ensure all SPED services are provided without causing a financial hardship to the town. There have been several discussions about bringing some students back to the school, if or when, possible. Our board feels one way to reduce SPED costs is to adequately prepare students for kindergarten. Students who can recognize some simple words and count to ten before they come to Kindergarten will not need as much support from staff members and stand a much better chance of success. We support Mr. Lewis's quest to encourage all parents to read to or with their pre-kindergarten children for 20 minutes each day.

Our facility is in excellent condition and is well-maintained by Mr. Chamberlain and his maintenance crew. The crew makes sure the building is clean and safe every day. Many visitors will comment on how clean the building is. A clean and organized building is a safe building. The school practices many safety drills throughout the year and all visitors must report to the office to get a pass before going to any other part of the school.

The W/Nchester School Board is pleased with the direction of the school. The board feels we have the right leadership and the right staff to make the school one of the best in the state. We will support the school's administration in achieving the best education for the children of Winchester. We hope more parents will become more involved and we encourage you to contact the school if you are interested in volunteering. Volunteering has a huge impact on costs at the school.

We are always looking for your suggestions. The WSB meets the first and third Thursday of the month at 6:30 in the school's library. There is always an agenda item for citizen's comments. I hope you will consider attending a meeting.

Respectfully submitted,

Trevor Croteau  
Board Chair

**REPORT OF THE SCHOOL ADMINISTRATOR – JAMES LEWIS  
2012-2013**

**W/Nchester School District Annual Report**

I am honored to present the 2012-2013 Administrator's Report for School Administrative Unit (SAU) #94, including the W/Nchester School. This is my fourth report and each year I am more invigorated by the dedication of the staff and students of Winchester. I maintain that with a few adjustments, your school could be one of the highest performing schools in the state!

This year saw many changes in many areas of the school. One of the largest changes was in the personnel of the SAU. Lori Schmidt took over as our new Business Administrator, Angel Jackson has assumed the Accounting Clerk position, Suzanne Cooper is now our Director of Student Services, and Wes Vaughan is our new Technology Director. Marie Braley has remained our SAU Administrative Assistant for both the Superintendent and Director of Student Services. Some of the personnel inside the school itself have changed as well. I have assumed the responsibilities of the district's Superintendent, along with some specific Principal duties, Mrs. Bigelow will now take on the responsibilities of the Building Principal, Valerie Wilber has accepted the Curriculum Coordinator position, Danielle Milde is our new Administrative Assistant to the Principal and Diane Willis will continue her position as the School Building Office Administrator. These changes were made in conjunction with the Winchester School Board as an attempt to be more financially frugal as well as improve the overall effectiveness of the school.

**Safety**

Safety will always be the top priority of the W/Nchester School. We are all aware of the terrible incidents that have occurred with too much frequency in schools across our nation. Your school has been steadfast in maintaining fidelity to our excellent emergency procedures. We have turned away folks who have not had proper identification and we continually approach any person inside our school without the proper visitor's pass. Although some family members have expressed a concern of inconvenience regarding proper identification or redirection to the main office, we shall never apologize for keeping your children too safe. Our numerous security cameras in and around the school are accessible via iPhone technology and can be accessed by the Winchester Police Department. The cameras record footage for up to two weeks! In addition, our safety drills are based on standardized models from local certified safety professionals as well as the State of New Hampshire Office of Emergency Management. We practice the drills frequently, and we invariably review our performance to look for methods to enhance the effectiveness of the procedures.

**Academic Performance**

As we continue to pursue school improvement, there are some realities that must occur for the W/Nchester School to become the best in the state.

- 1.) All our classroom teachers will continue to base their instruction on the state's Common Core Standards. The state of New Hampshire will be testing our students based on the information in the Common Core. These standards define the knowledge and skills students should have within their K-12 education careers, "so that they will graduate high school able to succeed in entry level, credit-bearing academic college courses and in workforce training programs." The standards can be seen via the NH DOE website or by going directly to: <http://www.corestandards.org/>. Parent familiarity with them would be a tremendous benefit to their children.
- 2.) Our staff will continue to implement the latest, best practices for instruction. This year teachers attended much training by nationally-known experts in the education field to keep their pedagogical skills current and relevant. All teachers must be on a three-year recertification cycle to teach in the state of New Hampshire. They have worked hard earning the hours required for recertification by attending ongoing professional development workshops and activities.
- 3.) Throughout this school year teachers at the W/Nchester School continued to spend a lot of time before and after school comparing and analyzing data. As the teachers analyzed the data they could see trends, identify areas of need, and teach specifically to those areas. Response to the data analysis ensures all students are provided with an opportunity to learn the appropriate curriculum. Our teachers are skilled at "Differentiating Instruction," that is, presenting lessons in several different ways to make teaching more effective for more *styles* of learning. These skills help *all* students learn.
- 4.) Our Birth-to-Five initiative has been encouraging parents all year to read to their children before they enter kindergarten. Every piece of reliable research we know confirms the fact that children who come to school prepared, typically succeed in school! At the end of every Friday's newsletter you will see the reminder, "*The best way to prepare for college is to prepare for kindergarten. The reality that we dare not ignore is, students who come to school not knowing their letters or numbers or colors, need to work harder to catch up to the expected academic performance level of kindergarten.*" Unfortunately, not all students are catching up and that is something we need to address as a community. For the W/Nchester School to be the best in the state, we absolutely need parents, family members and friends to read to or with children for at least 20 minutes a day. Simply stated, getting even more families to become more involved in their child's education will pay huge dividends for the entire town! I ask all parents or all Winchester citizens who are friends of children to validate the importance of a child's education with a simple, "What did you learn in school today?" every day.
- 5.) The W/Nchester School Bookmobile was conceptualized to promote the love of reading. You may have seen this huge vehicle with the giant tiger on the side around town. Our ongoing goal is to distribute books to Winchester families free of charge and make reading fun! We all know that advanced reading skills promote success in every aspect of life! Our Bookmobile will continue to visit various areas around town throughout the upcoming year with staff that will model interactive reading and teach how to make reading fun for the entire family.

## **Budget**

SAUs and families throughout the nation are concerned about their school's budgets. The WInchester School works hard to be prudent with the available taxpayer funds. Every item to be purchased is scrutinized to determine if it is the best possible deal to ensure the highest quality of education for the required price. Through analysis, several changes have been made this year that have resulted in reduced costs for the same item or service. We watch every penny, but we realize we still have an excellent school to run, and that can be expensive. Please note, your volunteerism is always welcome!

One major area of support on which we have been focusing all year is the fundraising for a new playground. A new playground not only provides a safe place for children to play, it also sends a strong and clear message to the students that we value them as children and we shall support them in all areas. Through our grassroots effort, we have raised more than \$17,000! We have organized fundraisers at Chili's restaurant, sold popcorn at school events, established a booth at the Keene Pumpkinfest, and cut out a whole lot of Box Tops for Education. (If you know of anyone who would be willing to send their Box Tops for Education to us, we would be able to get that playground by having to ask for fewer dollars from taxpayers.)

Your WInchester School truly is a magical place to be, and you have every right to be proud of it. However, I would like us to be even better and that will take all of us working together. If you would like to become involved, or have an idea, please feel free to contact me at 239-8061 extension 559, or send me an email.

Respectfully submitted,

James Lewis, CAGS

# DEFAULT BUDGET OF THE SCHOOL

OF: WINCHESTER NH

Fiscal Year From July 1, 2013 to June 30, 2014

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

- 1 Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

## SCHOOL BOARD

or

## Budget Committee if RSA 40:14-b is adopted

**WINCHESTER SCHOOL BOARD**  
**DELIBERATIVE SESSION**  
**FEBRUARY 9, 2012**  
**WINCHESTER GYMNASIUM**

Moderator, Henry Parkhurst called the meeting to order at 7:00 pm.

Henry Parkhurst wanted the public to be aware that the meeting was being video-taped.

B. Moser advised he was recording the meeting with two devices.

Henry Parkhurst advised the school portion of the Annual Report was dedicated by the School Board to Virginia Felch and Ruby Perrin.

**ARTICLE ONE:** Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$11,510,850.27**. Should this article be defeated, the default budget shall be \$11,554,845.21, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. **The school board does recommend this appropriation.**

B. Moser wanted it known that the established budget is not the Budget Committee's budget. Advised there is no law that says the Board can override the Budget Committee budget.

The Attorney had advised that the School Board was within their rights. The School District Clerk has similar verification by the DRA.

K. Whipple advised the School Board was late 48 hours from last year. This year the Budget Committee was not able to get things done due to poor time management. They were given the tools needed, but were not able to do it.

Henry Parkhurst advised concerns can be brought up at the meetings of the Committees.

K. Whipple referred the public to the breakdown in the Warrant Article packet and reviewed.

**Richard Horton MOVED to Amend Article One to read \$10,835,479.00; SECONDED by: Elisha Jackson,**

Richard Horton gave a presentation on the Amendment.

Keith Whipple wanted to know how many students he was talking about.

Richard Horton reviewed the proposed cuts.

Peter Eisenstater asked what constitutes part-time.

Richard Horton explained in the budget there is a .6 position, why not reduce it further?

Henry Parkhurst advised that may be good discussion for a School Board meeting.

Keith Whipple was not satisfied with the answer; doesn't think Richard Horton answered how many students the GED course would effect. He is having problems with the way he is breaking things down; didn't make sense.

Chris Thompson explained he has a couple of issues with the Amendment. He asked the public to weigh the Amendment carefully.

Marcia Young advised they need to try to make cuts; feels the Town can't afford much of an increase every year.

Brian Moser takes offense to the comment that the Budget Committee didn't do research. He takes offense to the comment that the school will return money back to the Town. He feels that doesn't always happen.

Harvey Sieran advised the Budget Committee did their research. Felt there was a big discrepancy as to what the SAU breakaway should have been.

C. Duquette advised the item up for discussion was the Amendment.

Sherman Tedford advised Article One says the School Board recommends this Article. He would like to know what the vote was.

Colleen Duquette believes the vote was 4-1.

Sherman Tedford asked if the Default Budget allows the Board to ask the public for a special meeting.

Matt Upton advised that is absolutely correct and explained.

Elisha Jackson advised the budget was not recommended by the Budget Committee. She co-wrote the Amendment.

Kevan Whippie spoke regarding proposed cuts.

Christine Wallace advised Winchester's tax rate rivals Keene; that is ludicrous to her.

Ken Gardner advised it is not a good year; the Budget Committee needs to support the proposed Amendment.

Joe Kozma asked the School Board to hire someone from the State to look over finances for the past five to seven years; an impartial person.

Henry Parkhurst advised the group they must keep to the Amendment.

Jeff Pride has concerns about how they came up with the Budget.

Gus Ruth will support a slight decrease in the tax rate; thinks most people would support that; doesn't think they can take an increase in the rate.

Ted Whippie – If we go with a higher budget will we lose state funds on the income part of the balance sheet?

K. Gardner advised he didn't say that, he said anticipated revenues were \$700,000 last year; but we didn't get it.

Ted Whippie – Understood we were going to lose money this year.

K. Gardner explained what he said was they had anticipated revenues from the State of \$700,000, but they didn't get that money. He didn't say anything about this year's state revenues.

Bill McGrath is having a little trouble with the budget presentation. Feels it is more of a bucket budget.

K. Whippie advised the Board can address these questions, but doesn't feel they pertain to the Amendment.

Bill McGrath advised this is a bucket budget and there's no way to look at where the funds are going.

Nicky Gauthier supports the Amendment; feels cuts aren't drastic enough to cause alarm.

Laura Aivaliotis wanted to remind people once again that they may make the suggestions over here, but that doesn't mean they're going to cut the positions at the SAU. They manage the bottom line.

Laura Aivaliotis – point of order; advised usually proper procedure is a Motion is made and seconded and then there is discussion.

Henry Parkhurst – that is true.

Laura Aivaliotis – was it done?

Henry Parkhurst – No it wasn't done, but it can be.

Elisha Jackson advised the motion on the Amendment was made and seconded by her.

C. Duquette called the question.

Henry Parkhurst received a request for a secret ballot. Advised it is non-debatable.

Henry Parkhurst announced those running for School Board in March.

Jason Cardinale, Colleen Duquette, Richard Horton, Elisha Jackson, Bill McGrath and Jacqueline Beaman

**ARTICLE TWO:** To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels:

Fiscal Year	Estimated Increase
2012 – 2013	\$17,500.00

and further to raise and appropriate the sum of \$17,500.00 for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **The school board recommends this appropriation.**

**Sherman Tedford MOVED to recommend Article Two as printed; SECONDED by: Keith Whipple,**

W. Hildreth spoke regarding the \$17,500 figure for 43 support staff and a 1.5 percent increase. There are no other changes other than language. It doesn't alter the intent of the Article.

Marcia Young feels in a year where everything is so upside down, that there should be a cap on raises.

Henry Parkhurst advised this is a non-amendable Article.

Keith Whipple – Was this a collectively bargained Article?

Henry Parkhurst – Yes, contractual and not amendable.

Brian Whipple reminded everyone that according to a survey of all the towns in NH, Winchester teachers only rank 156th in pay rate. They are not the overpaid corporate bureaucrats that we're talking about.

Brian Moser asked if the voters here today have been given the opportunity to see the collective Bargaining Agreement that they have to vote on.

- C. Duquette advised Wendy Hildreth spoke to the changes; only 1.5% increase and language changes.
- B. Moser – Advised his question was is this Agreement in its entirety available for voters tonight?
- C. Duquette – Obviously not, Brian.

Wendy Hildreth advised that the Board did have a single page here that they could make copies of.

Henry Parkhurst read the tentative agreement.

- C. Duquette advised the full copy of the agreement is on the school website.

Miriam Johnson thinks the \$17,500 to add to collective bargaining of teachers who educate our children is a small price to pay.

- B. Moser advised it is not for teachers.

Henry Parkhurst reminded people not to make judgmental remarks; remarks must be civil.

C. Duquette – As the Article reads it is for Winchester support staff, paraprofessionals, custodians, and cafeteria workers.

Warren Rasmussen asked about Article Two; if this is voted down, what happens?

- Matt Upton explained the Article cannot be amended, it can be discussed and it moves on to the ballot.

Warren Rasmussen – The agreement will then be invalidated is what you're saying?

- Matt Upton – If we were to try to amend this Article, in essence it would be the objection of the contract, by a smaller group than the people who are actually entitled to vote on it on March 13<sup>th</sup>. That's why we can't vote on it tonight.

Henry Parkhurst advised Article Two would be moved to the ballot.

**Amendment to Article One VOTED: 102 yes – 71 no; AMENDMENT PASSED.**

**Brian Moser MOVED the question on Article One as amended; SECONDED by: Christine Wallace;**

Kevan Whipple asked does moving the question make the floor vote to either end the debate or not?

- Henry Parkhurst – yes.

Brian Moser asked if the Attorney is saying the Board will accept a vote on the Amendment.

- Matt Upton explained there is no need to do another vote unless somebody wants to further amend this Article. There is no question about their ability to accept it, that's the law.

Henry Parkhurst – Asked if there were any further amendments.

**VOTE to Move Article One to the ballot, by VOICE VOTE – MOTION PASSED.**

**VOTE to accept Article One as Amended, by VOICE VOTE – MOTION PASSED.**

**Richard Horton MOVED to restrict further reconsideration of Article One; SECONDED by: Elisha Jackson, MOTION PASSED by: VOICE VOTE.**

**ARTICLE THREE:** Shall the Winchester School District, if article #2 is defeated, authorize the governing body to call one special meeting, at its option, to address article #2 only? (Majority vote)

**Kevan Whipple MOVED to accept Article Three as printed; SECONDED by: Ailliea Carl; MOTION PASSED by: VOICE VOTE.**

**ARTICLE FOUR:** The voters are advised that the Winchester School District will reduce the FY 11 general fund deficit pursuant to RSA 189:28-a through the use of the special education capital reserve (\$200,000), the receipt of federal Ed Jobs money (\$100,000) and any unreserved fund balance. For informational purposes only.

**Trevor Croteau MOVED Article Four as printed; SECONDED by: J. Gile,**

Kevan Whipple spoke to Article Four.

Ken Gardner asked for clarification on Article Four.

Kevan Whipple advised the unanticipated, unexpended fund balance from this year's budget will offset the remaining balance; that amount is as yet uncertain

Ken Gardner – You're roughly looking at \$26,000 more; you already come back with \$300,000?

Kevan Whipple – That is correct.

Gus Ruth asked if he was saying the School Board overspent the budget.

Kevan Whipple advised a single student moved in and cost the District \$350,000 and we were over-budget by \$326,000.

Gus Ruth thinks the School Board should have gone to the Budget Committee to see if they could solve this problem through an emergency expenditure.

Henry Parkhurst advised they are not there on anything about law suits. Need to stick to what is germane. The way to heal this is to start attending School Board and Project Committee meetings.

**Marcia Young MOVED that Article Four be moved to the ballot; SECONDED by: K. Whipple.**

**Kevan Whipple MOVED to restrict reconsideration of Articles Two, Three and Four; SECONDED by: P. Bigelow, MOTION PASSED by VOICE VOTE.**

**ARTICLE FIVE:** To see if the Winchester School District will vote to raise and appropriate up to \$100,000.00 to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30 unreserved fund balance available for transfer on July 1. **The school board recommends this appropriation.**

**T. Croteau MOVED to accept Article Five as printed; SECONDED by: C. Duquette,**

Sherman Tedford asked if the School Board anticipates having \$100,000 in the unreserved fund balance.

Colleen Duquette advised they don't know what they will have but the Article reads up to \$100,000. Sherman Tedford asked what would be returned to taxation.

Colleen Duquette advised it is up to who is on the School Board at the time. Many years they have returned a significant amount of money.

Kevan Whippie explained the student population is highly volatile. Right now there is no budget room for anyone moving in.

Sherman Tedford advised the School Board could apply for a revised operating budget.

Richard Horton asked why they didn't put this Warrant Article in last year.

Kevan Whippie – Last year the Business Administrator advised there was a possibility that they would run a deficit. He wasn't sure, but by the time the books closed he was right.

Richard Horton advised that didn't answer his question. Spoke regarding the Warrant Article.

Kevan Whippie advised we were not anticipating having a fund balance last year; we have some reasonable optimism that we will this year, so we decided to put it on in case we do.

**C. Duquette MOVED the question.**

Sherman Tedford – If you have \$100,000 left and put it in this account, can it only be used for that purpose?

C. Duquette – correct.

Laura Aivaliotis feels it is important that we have something in the account. She asked for the amount of the account balance?

C. Duquette advised the account is depleted.

Laura Aivaliotis advised she is in favor of up to \$100,000; feels they need that account.

**Article Five – MOTION PASSED by VOICE VOTE.**

**ARTICLE SIX:** To see if the Winchester School District will vote to rescind the adoption of RSA 32:14, which will result in the elimination of the budget committee's role in future school district business? A ballot vote is required.

**C. Duquette MOVED to accept Article Six as printed; SECONDED by: Laura Aivaliotis;**

C. Duquette spoke to Article Six.

Jeff Pride discussed Committee checks and balances.

Henry Parkhurst advised the group to look at Article Six on its merit.

C. Duquette reviewed the Board and Budget Committee meeting schedules.

Jeff Pride finds it hard to comprehend why the Budget Committee is not important on this.

Brian Whippie asked about the Budget Committee budget.

Henry Parkhurst advised they could probably help him out on that at another time.

Neil Stetson feels they shouldn't eliminate the Budget Committee.

Harvey Sieran – The government is in three sections so each one would balance the other. He feels it is a good idea to have one watch over the other.

Kevan Whippie discussed the conflict in meeting schedules.

Henry Parkhurst advised they were not going to sit here and start whipping the Budget Committee and the School Board. Advised if people want to know more, they should go to the meetings.

T. Croteau advised the School Board vote on this Article was 3-2. He spoke against this Article. He feels it is a process; he thinks the procedure should stay the same as it has for the last 90+ years.

Sherman Tedford asked what about RSA32:14.

Matt Upton explained it is for the adoption or abolishment of the Budget Committee.

Sherman Tedford - It says a ballot vote is required is that tonight, also? Doesn't that require a 3/5's majority vote?

Matt Upton advised Article Six would require a ballot vote on 3/13 with a majority vote. It can't be amended because its form is prescribed by law.

After checking further, Sherman Tedford advised one Section of RSA 32 that deals with the determination of the Default Budget requires a 3/5's majority vote. He apologized for the incorrect information.

Matt Upton advised it does require a simple majority to rescind.

Neil Stetson asked is there a person or persons in charge of scheduling all Town meetings?

Colleen Duquette advised meeting schedules.

Sherman Tedford advised each Board determines how they will meet. All Boards set their own meetings; no Board has jurisdiction over another.

Neil Stetson thinks maybe they should bring someone back to guide the meetings so the members that are on more than one Board can go to their appropriate meetings within appropriate times.

**C. Duquette MOVED the question.**

Ricky Molesky – She doesn't agree with disregarding and getting rid of the Budget Committee because of one year; it makes no sense.

Peter Eisenstater asked if Article Six passes it appears on the ballot and if Six is voted no, it doesn't appear.

Henry Parkhurst – it will appear on the ballot.

Peter Eisenstater – if it's going to appear on the ballot anyway, what are we debating?

Matt Upton – The purpose is to share your opinions on how people should vote on March 13<sup>th</sup>

Peter Eisenstater – So when the meeting is finished it is not going to necessarily mean that we will take a vote on this?

Matt Upton – In many SB2 communities they go through the process of amending Articles; when there are no more Amendments, the moderator moves them to the ballot.

Peter Eisenstater - we are suggesting that the Budget Committee no longer be involved in school business, but not eliminate them, correct?

Matt Upton - I don't think anybody's suggesting anything, what the School Board is asking is the people to vote on is whether they want it to continue to have a Budget Committee involved in School business.

Miriam Johnson asked if all meetings of all Boards and Committees have to be posted.

Matt Upton advised within 24 hours unless an emergency meeting is called.

**Miriam Johnson called for the question.**

Henry Parkhurst advised meetings are posted at Kulick's, the school, the post office and the town hall.

**Article Six – MOTION PASSED by VOICE VOTE.**

Dan Cushing MOVED to approve the remainder of the Articles; SECONDED by: Pat Castle,

**ARTICLE SEVEN:** Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

**ARTICLE EIGHT:** Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

**ARTICLE NINE:** Shall the Winchester School District create a planning committee in accordance with RSA 194 C:2 to study the withdrawal from Keene High School and raise and appropriate \$5000 to hire an economist to study the financial impact of re-opening Thayer High School. Submitted by Petition Warrant Article.

**ARTICLE TEN:** Shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14? Submitted by Petition Warrant Article.

Sherman Tedford wanted to amend Article Nine.

Matt Upton advised there is no Motion yet on Article Nine; can speak against the Motion, but can't amend Article Nine until after this Motion is voted on.

Sherman Tedford advised he has an Amendment for Article Nine and he thinks people should vote no on this Motion.

Miriam Johnson doesn't think they should pass all four.

Joan Franklin doesn't understand Article Ten.

Matt Upton advised the Motion on the floor is to take the rest of the Articles and put them on the ballot as printed. If you want to amend any remaining articles, you should urge that this Motion be defeated.

Joan Franklin urged that the Motion be defeated so we can separate out Number Ten so we can put a statement on the Article to let the voters know what it means.

**Vote on Articles Seven through Ten by Voice Vote: MOTION FAILED.**

**Marcia Young MOVED to accept Articles Seven and Eight; SECONDED by: Richard Horton, by Voice Vote; MOTION PASSED.**

**Richard Horton MOVED to accept Article Nine as printed; SECONDED by: Elisha Jackson;**

**Sherman Tedford MOVED to amend Article Nine to read to *raise and appropriate an amount of \$1.00...*; SECONDED by: Harvey Sieran,**

Sherman Tedford feels it is too costly and too big for the school to partake in right now.

Richard Horton was the author of the Article; explained.

Jill Beaman advised she was on the committee to research joining with Hinsdale and researching going to Keene.

Peter Eisenstater feels the Article should go on the ballot as is; feels to put \$1.00 in to hire an economist makes no sense.

Bill McGrath advised this is not the first time this question has come up. He took a tour of Keene High School; reviewed with the group.

**C. Duquette MOVED the Amendment; SECONDED by: Ted Whipple,**

**Vote on Amendment to Article Nine by Voice Vote – Moderator then asked for Standing Vote: 41-21, MOTION PASSED.**

Elisha Jackson wants to clarify is it just the \$1.00 changing or the verbiage that will change too?

Matt Upton advised only the dollar amount.

Henry Parkhurst read the Article as amended.

Mrs. Johnson advised a vote was needed on Article Nine.

Matt Upton advised unless there are further amendments we've already had a vote on the amendment verbiage. Unless there is another amendment we can move it to the ballot based on the prior vote, if that is the meetings pleasure.

**Joan Franklin MOVED to approve Article Ten as printed; SECONDED by: Keith Whipple,**

Joan Franklin asked for clarification; doesn't understand the Article in terms of what we did tonight. Does the School Board recommend the Article?

C. Duquette doesn't believe the School Board would recommend it. Advised they are meeting in the library after this meeting to make those determinations so you are welcome to come.

Matt Upton – Under current law, if you do not pass this Article, the School Board will continue to determine the amount of the Default Budget. If you pass this Article, the Budget Committee will calculate the amount of the Default Budget.

J. Franklin wanted to add the statement “the School Board does not support Article Ten” so the voters will know that they don’t support it.

Matt Upton advised cannot amend the Article; this is statutorily prescribed language. It also requires the vote of the School Board before you can say if they recommend it or not. They will be doing that after this meeting.

J. Franklin – Would it be too late to do it for March?

M. Upton – No.

Henry Parkhurst asked if the School Board meets after this meeting is over and decide something how does it get on the ballot from what the people here would have seen.

Trevor Croteau advised the meeting is open to the public.

Henry Parkhurst knows it is open to the public, but this is the District meeting right now. He wants to make sure everyone knows what’s happening.

Pam Bigelow asked if the intent was not to change anything, but just whether to make a recommendation or not?

Henry Parkhurst – the meeting will be held at the library and if people wish to go there, I believe they had an Amendment written up to do that.

Matt Upton – No, they just vote to decide what position to take with regard to the petitioned Warrant Article.

Miriam Johnson asked if Article Six passes, how does that affect the petitioned Warrant Article?

Matt Upton hopes those who would vote for Article Six would vote against Article Ten.

His interpretation is the DRA would rule Article Ten meaningless, even if it passed.

Chris Thompson – If this went back to the Budget Committee then the Default Budget would be calculated by them?

Matt Upton – that is correct.

Chris Thompson asked if this is a prescribed calculation like the School Board has a prescription from the DRA, or is it opened to interpretation by the Budget Committee if it goes back there?

Matt Upton explained the statute prescribes what goes into the Default Budget. There is always some form of statutory interpretation that goes into the calculation and that is why this Statute exists because of the disagreements from time to time that occur between the School Board and the Budget Committee over the total budget. So the answer is yes, there is a certain amount of statutory interpretation as to what our existing obligations that are required to be put into the Default Budget.

Gus Ruth believes the recommendation may change tonight because of what happens at the Deliberative Sessions and their recommendations will be published in the Town Report.

The Town Administrator advised statutorily due here March 6<sup>th</sup>.

Sherman Tedford believes this requires a three-fifth's majority vote and the Board is required to have a public hearing how many days before the actual vote?

The Town Administrator advised 15-30 days prior.

Matt Upton advised correct, it requires a 3/5's vote and a public hearing. But typically, on petitioned Warrant Articles we're not allowed to make changes to them other than minor grammatical changes.

Miriam Johnson asked who sets up a public hearing since it is put on by petition.

Matt Upton explained the School Board even though it is by petition. The question has to be held at least 15 days before, but not more than 30 days before the question has to be voted on.

**No Vote needed on Article Ten – the Warrant will go to the printer.**

Henry Parkhurst adjourned the meeting at 10:25 pm. until March 13<sup>th</sup>.

Respectfully submitted,

Peggy Higgins
